

## **REMAJ CARE RECRUITMENT SERVICES (Domiciliary Care Services) STATEMENT OF PURPOSE**

The Care Quality Commission (CQC) is the independent regulator of health and adult social care services in England.

In accordance with The Care Quality Commission (Registration) Regulations 2009 – Regulation 12: Schedule 3 we give below the required information which must be included within the Statement of Purpose.

### **Remaj Care in complying with the regulations will:**

- Have a statement of purpose that is appropriately reviewed.
- It will also be given to the Care Quality Commission for their records.
- The Care Quality Commission will be informed of any changes to their statement of purpose.
- People using our care service will be reassured from the knowledge that the Care Quality Commission is informed of the services being provided.

Remaj Care has designed a Statement of Purpose for its regulated activities which comprise of:

- **Home Care**
- **Personal Care**

This document is intended to notify all our Clients of the services which we can provide. It will be made available to all clients at the beginning of our service delivery to them or during the planning phase of the service provision where possible.

Tel: 03331232203. Fax: 03331232206 Mobile: 07853631856  
[info@remajcare.com](mailto:info@remajcare.com)

This document summarises essential information about Remaj Care for clients, people who are considering using our service, and the friends, relatives, carers and representatives of users and potential users. It also includes information required by the Domiciliary Care Agencies Regulations 2002 and should be read in conjunction with our Guide to clients.

### **Our Aims and Objectives**

- We aim to provide a quality, (safe, effective, caring, responsive and well led service), providing value for money at all times. Flexible, effective, efficient, value for money domiciliary care and support service.
- We aim to achieve the above through person centred care and close monitoring.
- We aim to safeguard the privacy and confidentiality of our service use.
- We will seek to enable our clients to maintain their personal independence, have informed choice and an opportunity to enjoy and contribute to society.

Remaj Care is none discriminatory and shall seek to serve all Clients equally regardless of race, nationality, language, religion or beliefs, age, sex or sexual orientation, or social standing. There will be no distinction made between Clients who pay directly for the service and those who do not. In the event of special needs and preferences of ethnic, cultural and religious group advice would be sought to enable Remaj Care staff to meet those needs.

Our objective is the provision of a high quality professional service provision that is committed to assisting clients to maintain his/her quality of life and to remain in their own home for as long as possible and as long as it is in the clients own best interests.

### **Our Ethos and values**

- To focus on clients by providing person centred care to meet the needs of all clients.
- To provide personal care and support in a ways which have positive outcomes for clients and promote their active participation.
- To seek to ensure that the core Principles of Good Care are fundamental to Remaj Care
- To promote dignity, respect and offer choice.
- To ensure we are fit for our purpose.
- To examine our operations constantly through a self-audit to ensure that we are successfully achieving our stated aims and purposes.
- To work for the comprehensive welfare of our Clients.
- To provide for each Client a package of care that contributes to his/her overall personal and healthcare needs and preferences.
- To co-operate with other services and professionals to help to maximise each Clients independence and to ensure as fully as possible the Clients maximum participation in the community.

- To meet assessed needs. Before we provide services, we ensure that a potential Client's needs and preferences are thoroughly assessed. To carry out robust risk assessments that will be crucial to creating a person-centred care plan
- To ensure that the care Remaj Care provides meets the assessed needs of each Client and the needs are reassessed (reviewed) as often as appropriate.
- To ensure that the care and support provided have the flexibility to respond to changing needs or requirements.
- To ensure staff are supported, trained and qualified to carry out the tasks that they have been commissioned.

## **Staffing**
